

Getting Help and Support

Find an answer to your question using multiple avenues.

Online help

Read the [online documentation](#) for a detailed guide on using Fundwave.

Feature requests and bugs

We love to hear your requests and ideas for new features. You can submit a feature request by emailing us.

Alas, bugs do happen. If you find one, we will do our best to fix it. Please report bugs by emailing us at support@getfundwave.com.

Support team

For personal, one on one assistance, contact the support team at support@getfundwave.com.

Knowledge base

You can search through the Fundwave knowledge base for articles on troubleshooting, known issues and workarounds.
